What is the vision for the 360Man Network?

A growing network of men dedicated to living the full-circle faith found in Acts 2:42-47 and assisting other men in knowing Jesus Christ and growing in their faith!

Men all over America are looking for network, connection, and brotherhood so they can grow in Christ AND reach other men.

Now, men can get in the game and help change America for Christ one man at a time. Becoming a 360Man connects you to a growing national movement of men who will no longer stand by and watch the spiritual erosion of manhood and the family in America. Your family, your church, and your community need you!

Why is becoming a 360Man important?

Every man is created and designed by God to impact the world by demonstrating courage, strength, endurance, purpose, vision, honor and godliness. We're creating a 360Man network as a means for Christian men to connect with each other, grow in the Lord, minister to each other, and help reach the world for Jesus.

What is a 360Man?

A 360Man embodies the teachings and conduct described in Acts 2:42-47 by

- living for Jesus
- studying the Bible
- serving his church and community
- discipling other men

- sharing his faith boldly
- participating in world evangelism

How do I become a 360Man?

Simple. Sign up and commit. By doing so you will be supporting Men's Ministries Across the United States, and also taking the gospel into all the world. We ask every 360Man to have "skin in the game" and commit to giving \$10 each month.

Your monthly commitment ensures that we are able to do the following:

- **Support the Men's Ministries activities and outreaches near you.**

Through your support, other men in your district/network will benefit spiritually; and when they join your 360Man network they will, in turn, help bless others.

- **Coordinate, expand, and improve the Men's Ministries capabilities of our national office.**

We work to provide men like you with discipleship resources and opportunities for spiritual growth that include retreats, conferences, missions trips, Holy Land trips, and special evangelism missions projects in the U.S. and worldwide.

What resources are available to me as a 360Man?

- **First**, your greatest resource as a 360Man is the network of thousands of men who also want to be more like Jesus, be leaders in their church or community, and see people come to know Christ as Savior. We're going to make sure you have opportunity to engage in this active network of men!
- **Second**, we send every 360Man a print or email copy of *360 Spotlight*, a newsletter packed with updates on what is happening through Men's Ministries and Light for the Lost overseas and in the U.S. This publication focuses on topics for men, missions projects, missionary stories, *FireBible* updates and discipleship resource updates that affect men like you.
