

# ENDURANCE

HEBREWS 10:36

## Day 2: I Need Endurance

### Scripture Readings:

Hebrews 10:36 (ESV)

James 1:2-4 (ESV)

### Observation:

We had worked for hours cleaning up debris from a recent storm and were exhausted but there was much work to be done, so we needed to endure! In a message I recently read, the pastor shared about some “D”s of life: devastation, destruction, and debris. In life, there will be those moments where we face devastation, destruction and debris from some choices we’ve made. We must learn to endure through them. In the next few days, we will look at some of the reasons we face devastation, destruction, and debris in our lives.

### Application:

- Describe a time when you experienced devastation, destruction, or debris in your life?
- In our verse from James, he speaks of meeting various trials that will test our faith, describe how has your faith been tested?
- How has the testing of your faith produced steadfastness?
