HEBREWS 10:36

Day 6: Don't Miss the Warning Signs

Scripture Readings:

Hebrews 10:36 (ESV)

Proverbs 16:18 (ESV)

Observation:

I was not sure what the sound was at first, but shortly after we hit bottom I knew! I did not read the whole manual when I attached the motor to our boat. I was too anxious to get out on the water and enjoy, but shortly after launching the boat I heard this buzzing. The next thing I knew, we had hit the motor on the bottom of the river! I thank God no one was hurt, and there was not much damage to the boat, but I had missed the warning sign. I had let my pride of “I know it all” cause me to endure rowing all the way back to shore!

Proverbs declares pride goes before destruction and a haughty spirit before stumbling! In life you will, or have had to, endure because you missed the warning signs that God sent your way. Mine was the buzzing alarm that I was in too shallow water to use the motor!

Application:

- Describe a recent warning sign in your life that you missed? What was the result of missing it?
- Describe the lesson you learned as you endured missing a warning sign?
- How did you endure through missing the warning sign?
